

Dr. med. Alex P. Lange

Leitender Arzt, Leitung Hornhautabteilung

Facharzt Ophthalmologie FMH, spez. Ophthalmochirurgie

Ausbildung und Werdegang

2013	FMH Ophthalmochirurgie Diplom, Schweiz
2011	Corneal Fellowship Diploma, University of British Columbia
2010	Neuro-Ophthalmology Fellowship Diploma, University of British Columbia
2009	FMH Ophthalmologie Diplom, Schweiz
2009	Winter Academy, Phaco Kurs, Schruns, Österreich
2008	Facharztprüfung EBO (European Board of Ophthalmology), Paris
2006	Bay Area Ophthalmology Course, Stanford University, California, USA, Basic Science Course of Ophthalmology
2005	Schober, Refraktionskurs für Augenärzte, München, Deutschland
2004	Promotion zum Doktor der Medizin an der Universität Zürich zum Thema «Kosteneffektivität von Amlodipin in der Behandlung der koronaren Atherosklerose in Österreich» in Zusammenarbeit mit Prof. Dr. med. Thomas D. Szucs und Prof. Dr. med. Felix Gutzwiller
1996 – 2002	Studium der Humanmedizin, Universität Zürich, Staatsexamen 2002

Berufliche Tätigkeiten

seit 2013	Leitender Arzt, Leitung Hornhautabteilung, Vista Klinik Binningen, Vista Diagnostics Zürich, LASER VISTA (Dr. med. E. Haefliger, Dr. med. T. Signer)
2011 – 2013	Oberarzt, Leitung Hornhautabteilung, Spezialgebiet Hornhaut- und refraktive Chirurgie, Vista Klinik Binningen, Vista Diagnostics Zürich, LASER VISTA, (Dr. med. E. Haefliger, Prof. Dr. med. C. Prünke)
2010 – 2011	University of British Columbia, Vancouver, Kanada, Clinical Fellowship in Cornea, external Disease and Refractive Surgery (Prof. Dr. med. Simon Holland, Prof. Dr. med. Martin McCarthy)
2009 – 2010	University of British Columbia, Vancouver, Kanada, Clinical and Research Fellowship in Neuro-Ophthalmologie (Prof. Dr. med. Duncan P Anderson, Prof. Dr. med. Jason JS Barton), Forschung unterstützt vom Schweizerischen Nationalfonds
2008 – 2009	Kantonsspital Luzern, Oberarzt Augenklinik (PD Dr. med. Michael A. Thiel)
2008	Kantonsspital Luzern, Assistenzarzt Augenklinik (PD Dr. med. Michael A. Thiel)
2007	Department of Ophthalmology, University of Toronto, Kanada, Elective, Cornea (Prof. Dr. med. David S. Rootman und Prof. Dr. med. Allan R. Slomovic)
2007	Department of Ophthalmology, University of British Columbia, Vancouver, Kanada Elective, Neuro-Ophthalmology (Prof. Dr. med. Duncan P. Anderson und Prof. Dr. med. Jason JS Barton)
2007	Stadtpital Triemli Zürich, Assistenzarzt Augenklinik (Prof. Dr. med. Yves Robert)
2005 – 2006	Kantonsspital Luzern, Assistenzarzt Augenklinik (PD Dr. med. Isaak Schipper)
2003 – 2005	Bezirksspital Affoltern am Albis, Assistenzarzt Innere Medizin (Dr. med. Christian Hess)
2003	Hirslanden Gruppe, Medizinische Ökonomie (Prof. Dr. med Thomas D. Szucs)

Präsentationen

- 2013** Risk Factors for Corneal Perforation After Corneal CXL in Keratoconus. ASCRS 2013, San Francisco, Poster
- 2013** Use of a disposable blunt tipped needle in big bubble deep anterior lamellar keratoplasty (DALK). ASCRS 2013, San Francisco, Poster
- 2013** Focal Limbal Stem Cell Deficiency Associated With Soft Contact Lens Wear. ASCRS 2013, San Francisco, Poster
- 2012** Bilateral corneal ulcers secondary to Vitamin A Deficiency. University of British Columbia, Clinical Day Cornea, Organising Committee
- 2011** Enzyme assisted deep anterior lamellar keratoplasty, COS 2012, Toronto
- 2011** Toxic Anterior Segment Syndrome (TASS) outbreaks in Canada: Annual update from the Canadian Ophthalmology Society TASS Task Force 2010. Präsentiert an Canadian Ophthalmology Society Conference 2011 Vancouver.
- 2011** Vista Kinik Sommerfortbildung 2011. Update lamelläre Hornhauttransplantationen – was ist momentan State of Art
- 2011** Reproducibility of Retinal Nerve Fiber Layer measurements with Manual and Automated centration in healthy subjects using Spectralis Spectral-Domain Optical Coherence Tomography. ECTRIMS 2011, Amsterdam, Poster
- 2010** The Role of OCT in Multiple Sclerosis. UBC Preceptorship in MS, 2010, Vancouver, Kanada
- 2009** Familiäre Irispigmentepithelzysten. SOG 2009, Lugano, Poster
- 2009** Bandkeratopathy as a Primary Sign of Parathyroid adenoma. SOG 2009, Lugano, Poster
- 2009** Choroidal, Manifestation of Acute Myeloid Leucemia. SOG 2009, Lugano, Poster
- 2009** Photo Cases. Augenärzterfortbildung Luzern, Root
- 2009** Hypocalcaemia associated optic neuropathy. SOG 2009, Lugano, Poster
- 2008** An unusual cause of orbital inflammation. SOG 2008, Interlaken, Poster
- 2008** Delayed Occurrence of Subretinal Silicone Oil after Retinal Detachment Surgery in an Optic Disc Pit. SOG 2008, Interlaken, Poster
- 2008** Spontaneous Closure of a Traumatic Macular Hole. SOG 2008, Interlaken, Poster
- 2008** The Impact of Infectious Ocular Emergencies on Hospital Resources. SOG 2008, Interlaken
- 2006** Juvenile Cataract associated with Microcornea and Glucosuria: a new Syndrome. SOG 2006, Lugano, Poster

Preise

- 2012** Enzyme assisted deep anterior lamellar keratoplasty. UBC Fellow Research Award. Best Fellow Research Project 2012, Vancouver
- 2012** Enzyme assisted deep anterior lamellar keratoplasty. Ron James Award, COS 2012, Toronto
